Session Titles

OS Title: Bio Assembler

Organizers: Tatsuo Arai, Osaka University

OS Title: Bio-manipulation and Its Applications (Bio-Manipulation)

Organizers: Masahiro Nakajima, Nagoya University, Toshio Fukuda, Meijo University

OS Title: Community-Centric Robotics (Community Robotics)

Organizers: Janos Botzheim, Naoyuki Kubota, Tokyo Metropolitan University

OS Title: Functional Interfaces in Micro-nanofluidics (Micro-Nano Fluidics)

Organizers: Yoko Yamanishi, Shingo Maeda, Shibaura Institute of Technology

OS Title: Human Assistive Technologies (Human Assist)

Organizers: Yasuhisa Hasegawa, Nagoya University

OS Title: Micro-Nano Robotics and Mechatronics (Micro-Nano Robotics)

Organizers: Akihiko Ichikawa, Meijo University

OS Title: Robot System Control and its software (Robot System)

Organizers: Kenichi Ohara, Meijo University

OS Title: Young Researchers in Biomedical Engineering (Biomedical Eng)

Organizers: Taisuke Masuda, Nagoya University, Kazuyoshi Tsuchiya, Tokai University

OS Title: Young Researchers in Micro-Nano Systems (Micro-Nano Systems)

Organizers: Hisataka Maruyama, Nagoya University

OS Title: Micro-nano Robotics and Mechatronics (Micro-Nano Robotics)

Organizers: Akihiko Ichikawa, Nagoya University
